### **SR 369 AND JOT EM DOWN RD SIGNAL TESTING BEGINS TODAY**

CUMMING, Ga. – The Georgia Department of Transportation will begin testing of the new traffic signal at the intersection of SR 369/Browns Bridge Road and Jot-Em-Down Road this afternoon.

The new signal for the intersection of SR 369 and Joe-Em-Down Road will go into flash or test mode mid-afternoon today. If testing goes well, the signal will be operational Tuesday, December 22.

Each intersection is reviewed to determine if the intersection meets the Federal guidelines for the installation of a traffic signal. The intersection of State Route 369 and Jot-Em-Down Road met those requirements.

DOT and the Forsyth County Sheriff's Department will monitor the area to ensure that drivers are following the new traffic signal.

"Once the signal is operational, please use extra caution until you get familiar with the new signal location. Remember to watch out for other drivers until they get used to the new signal too," said Georgia DOT Interim District Engineer Todd McDuffie.

Georgia DOT urges travelers to call 511 for updated information about this or any other construction project on interstates and state routes. Georgia 511 is a free phone service that provides real-time traffic and travel information statewide, such as traffic conditions, incidents, lane closures, and delays due to inclement weather. Callers also can transfer to operators to request assistance or report incidents 24 hours a day, seven days a week. More information is available at [www.511ga.org](http://www.511ga.org).

The Georgia Department of Transportation is committed to providing a safe, seamless and sustainable transportation system that supports Georgia's economy and is sensitive to both its citizens and its environment. Additional transportation revenues are imperative to grow and sustain Georgia's economic vitality and quality of life through the 21st Century. Georgia is the 3<sup>rd</sup> fastest-growing state in the nation, yet 49<sup>th</sup> in per capita spending on transportation. For general information on the Georgia DOT, please visit our Web site ([www.dot.ga.gov](http://www.dot.ga.gov)).
